**IT IS LIKE IT IS**

S P O R T S W E A R

The background is a complex, abstract composition of overlapping geometric shapes. The primary color is a vibrant red, which forms the base and several large, angular shapes. Interspersed among these are various shades of purple and blue, ranging from light lavender to a deep, cool blue. The shapes are sharp and angular, creating a sense of dynamic movement and depth. The overall effect is a modern, high-contrast, and visually stimulating abstract design.
